An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Cancel claims 17-20.

This application is in condition for allowance except for the presence of claims 17-20 directed to an apparatus non-elected without traverse. Accordingly, claims 17-20 have been cancelled.

The following is an examiner's statement of reasons for allowance: Applicant has provided a translation of the foreign priority document and thus got behind the secondary reference (Mahle et al.), and thus the primary reference is still lacking that which was stated in the previous office action and therefore does not read on the entirety of applicant's claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kevin M. Picardat whose telephone number is 571-272-1841. The examiner can normally be reached on Monday-Thursday 7:00-5:30.
